Visual Capital Improvements: R. Starace

Spring Flowers: All spring plantings are planted throughout the district.

Tree Lights: We are currently exploring two options for lighting the trees throughout the district. The first option involves using higher-quality light strands; we are awaiting a quote from Christmas Design Decorators for this approach. The second option is uplighting, similar to what is currently installed at the Community Center. We are in ongoing discussions with Sam to gain his expertise and guidance on this option. Further updates will be shared at the next meeting

Events Update: D. Glennon

Artisan Markets: May 3rd was the kickoff to our first Artisan Market, and it was a beautiful day. Vendor selection was nicely aligned with the Mother's Day theme. We also had Ashley and the Global Children Foundation with an activation at the market. Live music and dance were a great addition. We're looking forward to the rest of the markets this summer.

Music in the Park: Will begin in June in the Fort Lee Commons. We plan to begin the series with K. Kim's contact (Dr. Bae) on June 21st 5pm-7pm. We will tie in summer solstice with this event.

Concours on the Palisades: Moving along with planning for this event. We are in need of sponsors and vehicles. Also adding new level of sponsorship (bronze) \$250. In addition, we are offering businesses in district an opportunity to have their logo on our website for no charge.

Fall O Ween: We are excited to announce that we will be adding a parade to the event this year that will take place on Hudson St. More details to follow.
